

Buffal

Adventures!!

Our video game is about a buffalo named John Buffalo and Sunny Buffalo, they have to save the Waffle Princess and the Hot Chocolate Princess. In order to save her, he has to find the ingredients for a breakfast feast each level. You will have to travel through different buffalos villages, and then when he does he will unlock all new buffalos. When you save the princess she will reward him with the **Golden Waffle! When you reach the final level (which is level 26) you will have to fight the **Evil Zoo Keepers.****
