

FigLand

“ Eat a fig, or go home. “

Logo

Preface

- ▶ You're in a 2D world, the only thing you have... an enchanted, diamond encrusted fig sword! Your objective is to save the queen, only using your fig sword. While going through challenging obstacles, and defeating enemies. As you go through the levels, you must find AND eat figs to stay alive. Also, you can get power-ups before you fight the bosses. What will you do in the magical land of FigLand?

Popularity?

- ▶ We will test the popularity by first selling a demo for \$1.00. If this is successful in the market, we will then we will sell the full game version for \$7.99.

Jingle

- ▶ *Eat a fig... or go home.*

Explanation of Logo

- ▶ Our logo is supposed to represent the action of the fig transforming into your diamond-encrusted sword.
