

Ice Creameria!

“OUT OF THIS WORLD CREAMERIA!!”

Ice Creameria!

- ▶ In this fun game, you get to make your own ice cream! You can choose from a large variety of flavors, add unlimited toppings, pick your cone or cup, and even pick where around the world you'd like to make it! We will see how many people play our game over a week's course. There is also a challenge mode, which shows a picture of what the customer wants and you have to match what the picture shows.
