The game starts with a normal kid in a normal town. It's nearing the end of summer, and Eddie has nothing fun left to do. So, when he's greeted with a super fun adventure, he accepts.

It's this crazy, wizard dude who starts the adventure! He needs a magical gem, and Eddie's just the guy for the job! The wizard gives Eddie a portal remote so he can travel through the realms in order to complete this given quest.

Travel through one hundred levels of looped requests! With your portal remote, you can travel to many different worlds and play a series of mini games to get what you need for your reward.

All you have to do is...
