

# Shark Attack

There is four players. There is two boy players. And two girl players. And you pick one of the players. You are playing in the water and all a sudden fin pops out of the water. It is a shark fin. The shark will try to chase you. When you are swimming to the other side of the ocean you will collect coins and treasures. If you do not collect one of those the shark will collect it and the shark will go faster.
